**ADDENDUM #1
RFP-2018-OHE-01-REFUG**

On April 10, 2017, the New Hampshire Department of Health and Human Services, Office of Health Equity published a request for proposals, seeking competitive proposals from experienced vendors to assist refugee students in Concord, Manchester and Nashua, who are within one (1) year of arrival to the United States, to achieve improved academic performance and social adjustment.

The Department is publishing this addendum to:

1. Delete and replace Section 4.1.3. with the following:

- 4.1.3. Funding requests should be: proportionate to the proposed number of refugees to be served and the scope of the proposed project; and, linked to deliverables. The budget justification narrative should include a clear explanation of how the indirect cost is derived.
